From the N1 North toward Polokwane (Pietersburg).

- Follow sign boards to Modimolle (Nylstroom). Follow sign boards through the town to Vaalwater R33.
- Once in Vaalwater follow the signs to Melkrivier R33.
- At the T-junction follow the signs left to Marken.
- At the T-junction in Marken, turn left and then right onto the Baltimore road R561. Shelanti is located approx. 11km from the turn off, on your right.

From Lephallale (Ellisras).

- Exit Lephallale in a Northerly direction on the R510.
- Turn right onto the R518 toward Marken, until you see sign boards indicating R561, turn left here.
- Shelanti is located approx. 11km from the turn off, on your right.

By Air

Shelanti is also accessible by small air craft. The landing strip is not registered and is gravel but in very good condition. The cross-shaped landing strip is 1200m long each way and small craft can land from 3300 ft alt. The landing strip is surrounded by electrified fencing and offers a small hanger for aircraft storage during your stay. The landing strip's coordinates are: 23°25'59.0"S 28°25'03.2"E

Please make any aircraft and landing arrangements with our reception before your visit.
